How to Join

- Find upcoming dates on the News page at www.safequalab.org or in centre email updates.
- Register through the link for each session. Joining instructions are emailed 24 hours before.
- Webinars run on standard video-conferencing platforms. You need a stable internet connection, speakers or a headset, and a current browser.
- Recordings and slides are usually available within 5 working days.

CPD and Certificates of Attendance

Live webinar attendees can request a certificate of attendance. Members should record webinar hours in their CPD log, with notes on what they learned and how they will apply it.

Activity	CPD record
Attending a live webinar (full session)	Record actual hours attended
Watching a recording with reflective notes	Record actual viewing time
Presenting a SafeQual AB webinar	Record preparation and delivery time

Accessibility

- Live captions are enabled where the platform supports them.
- Slides are shared in advance on request.
- For other access needs, email info@safequalab.org at least 5 working days before the session.
